**CHOREOGRAPHY WEEK - Mandatory (Aug 18-29) - please read!**

Due to many families out of town in the summer, we have set one concentrated week to set choreography in August when everyone is back in town for school. This will be much more efficient for all involved. It is vital to have every cast member in attendance during your scheduled rehearsal time. Attendance is mandatory during choreography week. If you cannot attend all rehearsals this week, you cannot be in the dance and you should not audition. You most likely won't rehearse all of these days. Schedule TBA
