Volunteer!

We need both Ushers to check tickets, hand out programs and show patrons to their seats. We also need Teen volunteers to help backstage with the little ones. Ushers receive 1 comp ticket and babysitters 2 comp tickets to the performance of their choice. [Please visit our website](#) for more details.

Tickets

Please see the ticket letter on our [website](#) or in our lobby for ordering info.

This letter will also be mailed to your home.

Reserved seats are for your convenience and assure that everyone has a seat to watch their dancer shine on stage. Ticket fees go towards rent of a state-of-the-art auditorium, hiring a professional online ticketing company, janitorial fees, lighting, sound crew, props, staff, printing and administrative fees.

**Every effort was made to put students from the same family together in the same performance. This does not work in every case, especially if family is taking multiple classes. The planning and organizing starts 10 months in advance of our May production. Coordinating over 70 pieces with over 250 dancers (many with multiple pieces and costume changes) is very complicated. We split into 2 performances to allow for themed, well put together productions that are not too long for the students or for those enjoying the performance. Our performances are 2 hours or less.*
